\*To qualify for this special offer, business must be a Costco member and a new Elavon customer, and sign up for payment services by March 15, 2016. The free terminal is an ICT 220 only. Must actively process payments for 6 months following account activation with a minimum of \$3,000 over the same 6-month period or a \$489 charge will be debited from member's processing account. Offer limited to the first 10,000 U.S.-only customers. Costco members and new Elavon customers that do not select the ICT 220, may receive \$100 off other EMV terminals, excluding the purchase of Talech. Limit one offer per Costco member for new Elavon customers only. The offer may not be combined with any other promotion. This offer may be extended, modified, or discontinued at any time, without additional notice.

\*\* Visa/MasterCard/Discover service is sponsored through Elavon, Inc. Rates listed are for qualified transactions. Non-Executive Members pay application fees and monthly statement fee. A monthly minimum charge applies when qualified transaction fees and per-item charges are less than \$20 per month. Annual interchange or assessment increases by Visa/MasterCard or Discover may affect these rates. Rates and fees may change without notice. Rates and acceptance are subject to underwriting. Eligible existing customers in restaurant, service, health and retail industry will automatically receive the new rates, with no action required. New rates will be reflected in February 2016 statements. This rate is for U.S. Costco members only. Call Elavon at 1-855-533-8105 for all terms and conditions.

† Savings calculated on annual processing rates and are based on Elavon's analysis of The Strawhecker Group's data on payment processing services as of June 2015. Actual savings depend on business type, card type, manner of card acceptance and volume of transactions.
